

*Servant Leadership: The True Spirit of  
Bringing out the Best in your People  
Get the Best!*

Cheri Collins

## **Your special invitation to join the Women in Nuclear Session at the Canadian Nuclear Association's Nuclear Industry Seminar 2006.**

**Mark your calendars! Cheri Collins, Human Resources Director, Southern Company Generation, will be bringing her unique brand of thought leadership to the C.N.A.'s Nuclear Industry Seminar 2006. Cheri is responsible for recruiting, hiring, compensation and benefits, leadership development, diversity, and executive education for the Southern Company Generation organization.**

Southern Company Generation oversees Southern Company's coal, oil, gas and hydro generating units. This includes power from plants owned and operated by Southern Company's competitive wholesale subsidiary, Southern Power.

**When?** Wednesday, February 22, 2006  
**At What Time?** 15:00 - 17:00  
**Where?** The Westin Ottawa, Les Saisons, 3rd Floor

This event is open to all interested participants, but space is limited.

Pre-registration at <https://secure.dameco.com/cna/register.asp> the C.N.A. website is required.
